Mukhanyo Theological College wants to serve the churches. We want to prepare men and women for better Christian service in their own churches. Therefore we want the churches and church leaders to help us in choosing the best candidates for training at the college. We also want the churches and church leaders to help us to know all the needs of our students right from the outset of their studies so that we can teach them and minister to them in such a way that their real gifts and talents are developed and any problems in their lives are attended to.

Will you please answer the following confidential questions concerning the applicant for a scholarship at our theological college.
